

## *Approved Excise Transmitters and Software Developers*

Software developers (vendors) and third-party transmitters that have successfully completed the EDI testing and who have been accepted as an Electronic Participant in the ExSTARS electronic filing program are listed below.

Acceptance to participate in the electronic filing program does not imply endorsement by the IRS, or the Treasury Department of the software or quality of services provided. If you purchase software from an approved vendor, or contract with an approved Transmitter, you must still complete the Letter of Application (LOA) process.
