**Important information about your tax return**

**We are unable to process your tax return**

We received your tax return. However, we are unable to process the return as filed.

Our records indicate that the person identified as the primary taxpayer or spouse on the tax return was deceased prior to the tax year shown on the tax form. Our records are based on information received from the Social Security Administration.

Based on this information, the tax account for this individual has been locked.

**What you need to do**

If this record is in error, please contact the Social Security Administration to correct this situation. After the error is corrected, please send the following information to the address shown below:

1. A copy of this letter
2. A written request that the account be unlocked
3. A photocopy of at least one of the following:
  - Passport
  - Drivers License
  - Social Security Card
  - Other valid U.S. Federal or State Government issued identification
4. The original Letter SSA 2458 from the Social Security Administration showing the correction
5. Your tax return with an original signature(s)
